## Cantilever leg

A staple for the modern office, the Maestro 25 desking range, with its minimal, modern styling and multiple colour options is there when you need it, but doesn't demand constant attention. With a wide choice of desktop finishes and silver, white or graphite cantilever leg frames, it's easy to achieve the corporate image that you're looking to create.

The welded double upright cantilever leg frame structure is powder coated for a stylish under frame and when combined with a 25mm melamine desktop ensures the strength and stability needed in commercial office furniture. A wide range of storage options are available from fixed and mobile pedestals to a selection of bookcases and cupboards, offering sensible storage solutions where efficiency and productivity are paramount.

### Maestro 25 Choice

The Maestro 25 range has been designed to give you a wide choice of leg styles, colours, desks sizes and top designs manufactured in the UK

### Straight Desks

Create single hot desks or large clusters featuring durable 25mm melamine worktops available in five finish options, with a choice of matching storage to complement the range

### Wave Desks

Wave desks work well in groups from two desks side-by-side with alternative left hand/right hand desks for a full wave effect, up to large desk clusters

### Ergonomic Desks

If you need extra workspace or need a managerial desk than ergonomic desks are for you. They are also ideal for fitting into corners or cluster together to maximise office space

## Panel leg

A staple for the modern office, the Maestro 25 desking range, with its minimal, modern styling and multiple colour options is there when you need it, but doesn't demand constant attention. With a wide choice of finishes and matching panel end leg frames, it's easy to achieve the corporate image that you're looking to create.

The traditional panel end leg design, modesty panel and 25mm melamine desktop create a fully coordinated look and offer a practical, strong presence in any office environment. A wide range of storage options are available from fixed and mobile pedestals to a selection of bookcases and cupboards, offering sensible storage solutions where efficiency and productivity are paramount.

### Maestro 25 Choice

The Maestro 25 range has been designed to give you a wide choice of leg styles, colours, desks sizes and top designs

### 25mm Desktops

Featuring durable 25mm melamine worktops available in five finish options, with a choice of screen styles, sizes and colours to complement the range

### Panel Leg Design

Panel end legs are manufactured from 25mm melamine with 2mm ABS edging and an 18mm modesty panel. Legs are complete with adjustable feet

### Storage

A wide range of primary and secondary storage options accompanies the Maestro 25 range in all wood finishes to suit any office environment
